

Snowsport England Roller-ski Coaching at Hetton Country Park near Durham 24th and 25th August 2019

Snowsport England are again running this roller-ski training weekend at the excellent Hetton Country Park, near Durham. The course runs over the Saturday and Sunday of the Bank Holiday weekend – 24th and 25th August. It has been run successfully for the past 20 years and provides top coaching from SSE-qualified coaches. The course is suitable for all levels whether you are new to cross-country skiing or are an experienced track skier or cross-country racer.

Hetton Country Park has a 1.8km tarmac track which encircles a large lake and includes two short hills for more experienced skiers and more gentle terrain for beginners.

Participants on the course will improve their technique (classic and skating), gain confidence for skiing on snow, pick up loads of helpful training tips, and just have a fantastic time. The course is open to everyone (beginner, intermediate or expert) whether you are a tourer, a racer, a downhiller, or whether you just want to try cross-country skiing. For skiers who have completed an introductory roller ski course via the 'Go-Rollerski' programme, you will extend your skills, meet other skiers and even have the chance to try racing.

Skis and boots can be hired (both classic and skating) if booked in advance on the booking form.

There will be the opportunity to be assessed for the SSE Nordic Proficiency Awards. See details at http://snowsportengland.org.uk/nordic_proficiency_awards

We have assembled a first-rate coaching team and are expecting to run the following course groups:

- **Advanced** – for experienced skiers who wish to refine their skills for more efficient skiing and are interested in the latest developments in technique. This group is suitable for those who are already skiing at 3* and above and interested in attaining a four- or five-star proficiency award.
- **Intermediate** - for skiers who are confident on roller skis and are skiing at 2* proficiency level. This group is for those aiming towards skiing at 3* proficiency level in both classic and skating styles.
- **Beginners and Improvers** group - for those with none or limited cross country/roller ski experience and are interested in progressing to one- and two-star level.

A pair of trainers/running shoes may be useful for any 'dry land' exercises.
