We are pleased to announce that Snowsport England will be holding its next On Snow Nordic coaching week in 2027 at the Vestlia Resort in Geilo, Norway

Who is it for?

The week is designed for cross-country skiers from improver to advanced level who want to develop skillful skiing and performance in both skating and classic techniques.

Alongside this we will be running a Level 2 and Level 3 coaching course, if there is sufficient interest.

What can I expect?

- A fun atmosphere with like-minded skiers
- Top class coaching from some of Snowsport England's best cross country ski coaches
- Small coaching groups (maximum 8)
- Off ski activities
- A L2 and L3 instructors course running simultaneously

About Geilo

Geilo is situated near to the Hardangervidda, Europe's largest plateau, and one of Norway's biggest glaciers. It has 500 kms of groomed trails and tracks start close to the hotel. The Vestlia Resort lies to the south of Geilo, and the stadium and main town are a short ride on the ski bus from the hotel entrance, or an easy ski.

Register your interest

Please register your interest, including the instructor course (with no commitment), by [completing the questionnaire](#). If you have any other questions, please [email Pauline Styles](#).
